Project Brief

1. Project Background

- 1.1 The entire site of Project THS is situated at the junction of Tai Hang Tung Road, Woh Chai Street and Tai Hang Sai Street, Shek Kip Mei, Kowloon. It is near Shek Kip MTR station. The underground utilities within the site of Project THS may be uncharted or the as-built records are inaccurate. All these underground utilities shall be verified through site surveys for onward preparation of underground utilities diversion proposal.

2. Scope of the Works

- 2.1 The scope of works includes the following:-

I. Underground utilities mapping inside THSE (provisional)

Carry out underground utilities mapping at some of the areas inside THSE and provide utilities survey report.

II. Underground utilities mapping outside THSE

Carry out underground utilities mapping at some of the areas outside THSE and provide utilities survey report.

III. Investigation works of the existing underground drainage and sewerage systems inside THSE (provisional)

Carry out CCTV and manhole surveys of existing drainage and sewerage systems at some of the areas inside THSE and provide survey report.

IV. Investigation works of the existing underground drainage and sewerage systems outside THSE

Carry out CCTV and manhole surveys of existing drainage and sewerage systems at some of the areas outside THSE and provide survey report.
