市建局在莊士敦道重建項目範圍內，進行首項文物保育工作，將四幢相連的廣州「騎樓式」樓宇及船街一幢商住唐樓保育下來，重新翻新及設計為具生活品味的地方，並使它們恢復經濟生命力。

The URA undertakes its first preservation task at the Johnston Road redevelopment site. Four adjoining old Canton-style shop-houses and one in Ship Street will be turned into a place of tasteful lifestyle after refurbishment. We will also bring back the useful economic life of these buildings.
